

Keir Starmer says that he would treat people smugglers like "terrorists" and that his government would work more closely with the EU through a new agreement. Such an agreement will likely involve Britain taking some Refugees from the EU, but Starmer says any agreement will be "quid pro quo".

To what extent do you think its important that Britain works closely with the EU on policies relating immigration and asylum seekers?

Total sample size: 1,318

Nationally representative sample size: 1,009
